November 4, 2010

Dear Ms. MacDonald,

May I say on behalf of The Friends of the Annapolis County Health Centre how pleased we were to meet with you on October 4, 2010. Each of us had the very clear sense that you listened to our concerns and that you understand from experience the particular health care worries which people have in a rural area.

I would like to mention that on November 18, in Annapolis Royal, we are planning a public meeting in which we meet our community and gather from them our next steps in working toward a 24/7 ER and keeping our in-patient and palliative care beds at ACHC. After that meeting, we hope to be able to meet with you, David Logie, Janet Knox, and Dr. John Ross to discuss these next steps.

With warm thanks,

Wayne Boucher
Chair, Friends of ACHC
