Dear Dr. Ross,

We, the Friends of Annapolis County Health Centre, remember very well your participation in the panel discussion on April 26th at Cornwallis Park. Since then, of course, many of us have read your report with particular attention to your diagnosis for ERs in rural areas.

I would like to mention that the Friends will meet the people of our community on November 18th in Annapolis Royal, in order to gather from them our next steps in working toward a 24/7 ER and keeping our in-patient and palliative care beds at ACHC; we therefore look forward to meeting with you, the Minister, David Logie and Janet Knox at a later date.

With warm good wishes,

Wayne Boucher
Chair, Friends of ACHC
